

ELEANOR ROOSEVELT ELEMENTARY

2025-26 Title I Parent Participation Plan

Eleanor Roosevelt's Staff values authentic participation of its parent community. Toward this goal, we intentionally structure activities and communications so as to maximize involvement. Working as a home-school team improves communication, builds relationships and improves student learning.

Parents are provided opportunities to become increasingly familiar with curriculum, Washington State Learning Standards, District policies and school procedures. Newsletter articles inform parents of ways to monitor children's progress, be in communication with the school, and help students with at-home school readiness and learning. Our school's community partnerships with community organizations enable parents to participate in informational and training opportunities.

Parent Participation Plan- Eleanor Roosevelt's staff and volunteer representatives from its parent community will jointly develop the school's Parent Participation Plan at the fall Title I Meeting. The plan will be distributed to parents and the local community in newsletters, as well as during fall school events. The Parent Participation Plan will be shared in the fall by the Principal, and on the school website at <http://roosevelt.vansd.org/> Copies will also be available in the school office.

Later in the school year, the School-Parent Compact will be reviewed and revised with the input of parents for the following school year.

Schoolwide Improvement Plan- During a School Improvement/Parent Advisory Meeting we will review demographics data and assessment results will be reviewed to ensure that schoolwide programs are meeting the needs of all students, especially those performing below grade level in reading. The 2025-2026 School Improvement Plan's goals and actions (including Parent Participation) will be reviewed and developed during a meeting on September 25.

Annual Title I Meeting- Annual occasions to inform parents of Eleanor Roosevelt's participation as a Title I Schoolwide site, the requirements of Title I, and the rights of the parent to be involved, are Back to School Night on August 21, 2025 and Curriculum Night on September 25, 2025.

Parent-Teacher Conferences- Parents are provided an opportunity to conference with teachers during the district's scheduled Parent Engagement time each Monday afternoon from 12:45 - 1:45 pm. Additionally, teachers are scheduling parent-teacher conferences at times that work for both parent and teacher. During the fall, the Roadmap to Success plans and School-Parent Compact will be reviewed and signed. Spring Teacher-Parent conferences are also scheduled in April. Parents are encouraged to meet with their children's teachers at any time during the school year. Throughout the academic year, all parents will be provided with reasonable access to staff and opportunities to participate in a variety of building sponsored activities.

Curriculum, Assessments, & Proficiency Levels- All parents will be notified of their child's assessment scores and eligibility for additional academic help during the school day, after school, or in summer programs. Parents are informed of student progress via the Goal Setting Conference in the fall and the Trimester Report Cards. Parents are encouraged to request information regarding their child's academic progress at any time from the school staff.

Eleanor Roosevelt Elementary students are instructed by teachers fully trained in Wonders English Language Arts curriculum. Students requiring additional reading assistance (as determined by assessments) may be provided instruction using programs such as *K-Pals*, *Pals*, *Sounds Partners*, *SIPPS*, *Phonics for Reading*, *Countdown*, *Blast*, *Boost*, *HD Word*, *Blitz*, *Wonder Works*, *Read Naturally*, *Phonemic Awareness: The Skills They Need To Help Them Succeed*, *One Minute Fluency Builders Series: Reading*, *Fifty Nifty Activities for 5 Components of 3 Tiers of Reading*, *Phonemic Awareness in Young Children*, *Road to the Code*, *Six Minute Solutions*, and *Imagine Learning*. Eleanor Roosevelt's staff will participate in professional development opportunities throughout the year. Understanding how to implement our district framework (5 Dimensions of Teaching and Learning) as it connects to improved teaching and learning is a focus. Staff will also participate in building-level professional development and district level professional development focused on increasing student learning.

District Instructional Models, core curriculum materials, and Common Core State Standards guide the instruction for staff. All Federal, State and local resources that relate to reading and math instruction are coordinated to benefit student academic achievement. Washington State Learning Standards are now observed by all grade levels in Math and in English Language Arts. Information related to Eleanor Roosevelt parent programs, and other activities will be sent to parents in the school newsletter, through classroom newsletter, and the school's website. Every attempt will be made to clearly communicate important information in the parents' native language.

We have a Family Community Resources Coordinator (on site) who serves as a home-school liaison and connects families to community services and resources. We provide a dedicated space, which includes a parent resource library (inclusive of books on parenting, budgeting, safety, and helping children learn).
